H2O

Our new flagship countertop model intended for high End Commercial applications, the H2O-850 is touch sensitive interface model with hot, cold, and ambient water options.

Designed specifically to remedy counter clearance issues encountered with similar capacity models, the H2O-850 fits an entire 1 Gallon cold tank and space for a full 4 Stage Filtration system in a 15 1/2 inch tall package.

With the option of a Sparkling Add-On, the H2O-850 is the industry leader in luxury counter top dispensing systems.
